Indian Radiological & Imaging Association

Call for Research Proposals – IRIA Research Grant 2026

Dear Members,

The Indian Radiological & Imaging Association (IRIA) invites research proposals for the IRIA Research Grant 2026 to support innovative and impactful research in radiology and imaging sciences.

To encourage participation of private practitioners, a dedicated webinar on writing research proposals and conducting research projects will be organized by the Research Committee of IRIA. This session will provide practical insights and guidance to enhance research engagement.

Grant Highlights

- Application Period: **March 2026 – June 30, 2026**.
- Eligibility: Open to radiologists from private practice, corporate hospitals, and academic institutions.
- Mandatory Requirement: Applicant must be a member of IRIA and ICRI for consideration of application.
- Funding Structure: 40% initial disbursement, 20% mid-term, and 40% final disbursement upon completion.
- Research Focus Areas: Priority will be given to high public impact studies, but all innovative proposals are welcome.

Proposal Submission Requirements

- Research proposals must follow the standardized format available on the IRIA website.
- Submissions should include a detailed budget and timeline.
- Institution Ethics Committee approval is mandatory before grant disbursement.
- A uniform scoring system will be used for evaluation by expert reviewers.

Application Process

- Download the proposal format from '**Research and Grants**' page at IRIA **Website** **www.iria.org.in**.
- Submit the complete application with required documents via email **iriaresearch@gmail.com**.
- Shortlisted proposals will undergo expert evaluation.

Research Publication & Compliance

- Funded research is expected to be published in PubMed-indexed Journals (IJRI as the preferred option) for final disbursement.
- Progress reports and utilization certificates are mandatory for continued funding.

For further details and submission guidelines, visit the **IRIA Research and Grants page** on our website **https://iria.org.in/research-grants/** or contact through email at [**iriaresearch@gmail.com**].

Yours sincerely,

Dr. Pankaj Sharma
Secretary General, IRIA

Dr. A. Anbarasu
Coordinator, Research Committee of IRIA

Dr. Abhinav Jain
Co-coordinator, Research Committee of IRIA
